

Welcome hunters,

We have teamed up with one of Texas most prestigious dog handlers and his string of championship dogs, Dean Lord and his Southern Comfort style of game bird hunting. Dean and his dogs have well over hundred national championships under their belts and collars. We now have the opportunity to offer you the chance to have them work for you, right on your own ranch, to give you the most spectacular bird hunt you will ever experience.

You don't want to go to one of those resort hunting retreats, let us entertain you, your guest or clients at the comfort of your own ranch. Yes, we will bring the birds, dogs and guides to give you a game bird hunt that your guest will always remember.

Call for more of what we have to offer, such as catering meals and videos of your hunts. Many dates are open, so don't be left out on booking that hunt where friendships and memories will be made.

Check out more of Dean Lord's Southern Comfort hunts website on what he has to offer you and your guests, or give him a call 325-642-8182.

We wish you the best in your 2010 - 2011 hunting season.

Happy hunting,
Mackie McKinnerney
